 - All text and images are 1" inside border
- Fast signs in Issaquah have the details and specs. If you would like to order from them contact:
2086@fastsigns.com

Stormwater Facility

You can help protect this pond:

- Compost yard waste-don't dump here
- Only rain down the storm drain

This facility is in our care.

Runoff is held here after storms. It is released slowly or stored until the next storm when it is replaced by incoming flows. This helps prevent downstream flooding and erosion and helps clean the water.

For more information or to report a problem, call the Sammamish Department of Public Works at 425-952-2115.

POND ID# DS_____

THE CUSTOM ARTWORK DEPICTED HEREIN IS FOR REPRESENTATIONAL PURPOSES ONLY AND MAY NOT EXACTLY MATCH THE COLORS OF THE MATERIALS PROPOSED FOR USAGE
