2022 Upcoming Projects

Community Development

- **Community Visioning Project**

Aims to reach residents and stakeholders to better understand the vision for Sammamish's future in order to update the City's vision statement.

- **Urban Forest Management Plan –**

- The Strategic Implementation Plan**

- UFMP Implementation Strategies Matrix
- Biennial Workplans
- State of the Urban Forest Report

- **2024 Comprehensive Plan Update**

Growth Management Act states Sammamish must adopt a Comprehensive Plan, review, and update it every eight years.

- **Housing Action Plan**

The City of Sammamish applied for and received a grant through the Washington State Department of Commerce to create a plan to increase housing diversity, and affordable housing within the City.

**Thank you
Planning Commission!**

**We look forward to
working with you in 2022**
