REQUEST FOR QUALIFICATIONS

The City of Sammamish Department of Public Works is soliciting interest from firms with expertise in Civil and Environmental Engineering, Land Survey, Planning, Design and Construction for the following project.

Construction Management Services – 2022 Capital and Maintenance Programs Projects

The work to be performed by the consultant consists primarily of construction management services and documentation necessary to complete the 2022 Pavement Program – Street Overlays and 2022 ADA Barrier Removal Improvements

Detailed information can be found in the Request for Qualifications package available through Sammamish's project solicitations webpage at <http://www.sammamish.us/solicitations>. If you are unable to obtain the RFQ package from the webpage listed above, please contact Jim Grueber by e-mail at the contact information below. **Proposals will be accepted until 2:00 PM PDT, April 7th, 2022.**

Please direct any questions concerning this Request for Qualifications (RFQ) to the Public Works Project Manager listed in the RFQ. Proposing firms may submit written questions by email only to the Project Manager at any time prior to the date in the Proposed Timeline. Any oral communications will be considered unofficial and non-binding on the City. Consultants are expected to visit the City's website for responses to questions.

The City reserves the right to amend the terms of this RFQ, to circulate various addenda, or to withdraw the RFQ at any time, regardless of how much time and effort consultants have spent on their responses.
